

LOCUM OPPORTUNITY: LABORATORY OFFICER

Locum 3-6 Months x1 UNOPS-Funded

Baines Occupational Health Services is seeking a qualified Laboratory Officer to join our team on a 3-6 month locum contract in support of a UNOPS-funded project focused on TB screening and occupational health among artisanal and small-scale miners (ASMs) across Zimbabwe.

KEY RESPONSIBILITIES

- ▶ Conduct and oversee laboratory-based TB diagnostic testing for ASMs
- ▶ Operate and maintain point-of-care testing equipment including Truenat
- ▶ Ensure quality assurance and adherence to laboratory protocols
- ▶ Accurately record results and support clinical reporting processes
- ▶ Coordinate specimen transport and results feedback with clinical teams
- ▶ Support laboratory quality management systems and quality control processes

REQUIREMENTS

- ▶ Registered with the Medical and Dental Practitioners Council of Zimbabwe (MDPCZ)
- ▶ Valid annual practising certificate
- ▶ Experience in TB diagnostics or point-of-care testing (added advantage)
- ▶ Strong attention to detail and record-keeping skills
- ▶ Ability to work in clinic and field-based environments
